2019-2020 District 4-C4 Governor Helen Ariz Casaclang

CANDIDATE: 2020-2021 DISTRICT GOVERNOR

FANNY CHU San Francisco Chinatown Lions Club

At these trying times, our priority is Health and Safety for all- beginning with ourselves, family and friends, to our Family of Lions, clubs, district and beyond....

My theme for 2020-21 is '**Be Seen Be Heard Be Known**'. I will put my 35+ years of successful Realtor marketing experience, along with many innovative practical ideas from NAMI (North America Membership Initiative), GAT (Global Action Team), District Cabinet and Leaders' masterminds into exciting marketing ideas for new/existing Service Projects. Our Lions will **ROAR**. Our clubs and D-C4 will **Be Seen Be Heard Be Known**'.

Recent days taught us the importance of timely and accurate relevant information. I will be setting up a **Lions Digital Library** on resources for ALL Lions. Our current District Thread will continue as an excellent information communicator. **Lions Digital Library** focuses on detail relevant information, training guides, Links and more. Your input is important to help build this resource!

Have you been Zooming or GotoMeetings? Times have forced us to adopt new communication ways. I am committed to Tech Tool Workshops. Moving forward we will explore more 'smart' avenues. Together we will learn new skills and try innovative ways to engage our members, clubs and communities.

Please check out my brochure. I have the leadership skill and experience to bring D4-C4 together and on track to the next level. I humbly seek your endorsement and support. Please **VOTE** for Lion Fanny Chu as your 2020-21 District Governor. Thank you! **We Serve!**

CANDIDATE: 2020-2021 1ST VICE DISTRICT GOVERNOR

Dr. Augusto “Jun” Valera, Jr. M.D. San Francisco Fil Am Lions Club

In this time of global panic with this war against COVID-19, Lion Dr. Jun is bravely serving on the frontlines. In the same way, he is offering himself to District 4-C4. As humanity becomes united by this global pandemic, he will also unite our district, because he believes “We Serve Better Together.” His goal is to make the district strong by encouraging club autonomy, embracing diversity and blending traditions with innovations. He will advocate transparency, accountability, good governance and inclusivity.

Lion Dr. Jun joined the San Francisco Fil Am Lions Club in 2004. He recruited into lionism the Valera family unit with his wife and children, relatives, friends and co-workers. He organized and chartered SF Nueva Vizcaya Lions Club. He is currently forming a Specialty Branch Club composed of nurses.

He has had multiple positions in the club, district and multiple district levels. He received numerous awards including the International Presidential Medal, International Leadership Award, Zone Chair Excellence, multiple Membership Awards, many 100% Secretary’s Awards, District Lion of the Year, and five time club Lion of the Year. He received a Bachelor’s Degree at Lions University and graduated from the Advanced Lions Leadership Institute. He is a Progressive Melvin Jones Fellow, Dr. Bill Iannaccone Fellow, and Don Stanaway Fellow.

Lion Dr Jun advocates FAMILY - “Fostering A More Involved Lion in You!” and TEAM - “Together Everyone Achieves More!”

Our district needs a servant leader like Dr. Jun who “walks the talk”. Vote Lion Dr. Jun for First Vice District Governor! We Serve!

CANDIDATE: 2020-2021 2nd VICE DISTRICT GOVERNOR

John Hui San Bruno Lions Club

Fellow Lions, each day our world is changing. To keep healthy and safe, we are practicing social distancing and are learning to live a new normal without attending our beloved Lions events and gatherings.

Now is the perfect for time for us evolve and try new ideas to make District 4-C4 thrive with greatness instead of merely existing for maintenance and survival. I would like to serve beyond myself which is ultimately the meaning of my life as a Lion.

If you vote for me as 2nd Vice District Governor for 2020-2021, I will:

- Work cohesively with the District Governor in her vision to “Be Seen, Be Heard”
- Support the 1st Vice District Governor in his endeavors to ensure continuity
- Educate Lions to embrace technology
- Improve clubs’ ability to communicate and manage events
- Encourage social media marketing for the District by embracing YouTube, Facebook, etc.
- Facilitate total transparency and accountability for each cabinet officer
- Focus on NAMI initiative for membership retention, growth and new service ideas
- Continue to fight against hunger, promote diabetes awareness, and the Lions Eye Foundation

To create a movement, it requires someone with vision and with your courage to follow it. Together, it can lead us to a brighter future.
