Subject: NIKKEI LIONS CLUB'S ANNUAL CRAB FEED

Hello fellow crab lovers:

On Saturday, JANUARY 23, 2010, the Nikkei Lions Club will hold it's 19th Annual Crab & Spaghetti Feed! It will be held at the SF Buddhist Church at 1881 Pine Street (at the corner of Octavia St.) between 5:00 - 9:00PM (dinner served between 5:00 - 7:00PM). The annual event features an all-you-can-eat dungeness crab & spaghetti dinner (topped with a raging secret home-made spaghetti sauce) including all the works!

The evening is filled with live singing, lots of terrific raffle prizes, including old fashioned bingo contests with prizes, and of course, non-stop eating! The donation is still only \$35.00 (children under 12, \$15). Event supports local non-profit community organizations.

Tickets will be available after November 1. To reserve your tickets, simply let me know how many tickets you'll need. Groups of 8 or more will receive table reservations. Thanks again, crab lovers, for your continuing support - and please share this among your crab loving friends. Bon appetit!!!
