The San Francisco Hispanic Lion Club would like to invite you to our SPECIAL fund raiser to help one little girl and two boys to have eye surgery and purchase their medical supplies. The children's families are extremely low income and the town itself has almost NO medical supplies to sustain the operation.

The surgery will take place in the village of Santa Lucia, Department of Bacao, Nicaragua Central America.

**These three children are losing their sight!**

Please help us with this mission!

This is what Lions are all about: eyesight resolution.
