MD4 Convention in Sacramento

Campaign Update – October 21, 2018

THANK YOU! What more can I say? The Campaign Fundraiser at San Bruno Park on October 14 was a great success! The hard work of organizing an event – with delicious food – and gathering many friends and supporters, while also having a fun day – not to mention the perfect weather – contributed to the success. Speaking of contributions – I cannot thank you enough for your generosity both in dollars, donations and hard work. Special thanks to San Bruno Lions Johnny G, Greg, Pete, Tommy and Connie, Mario and Rose; Millbrae Lions Mike, Mike and Ron; Ever-helping Lions Denise, Pat, Venetia, Ora and Sandee; to our District Governor Lydia and our PDG's; to all that attended... including PCC Liz of 4-C6 – I couldn't do this without you. Thank you.

LCI BOARD MEETING IN OJAI: We drove to Ventura County last Monday to attend the Host Dinner where we were reunited with our many LCI friends, including Lions International President Gudrun. It was a valuable opportunity to seek advice, grow relationships and yes, quietly campaign.

COUNCIL OF GOVERNORS SANTA MARIA: This Thursday we travel to Santa Maria, Ca. for the Fall Meeting of the Council of Governors. We will have a hospitality suite and are looking forward to entertaining the Council and Committee members at the Radisson Hotel at 3455 Skyway Drive, Santa Maria, 93455. (805) 928-8000. Lions Pat Hughes and Venetia Young will be our hostesses through the weekend.

NOVEMBER: After we celebrate Halloween, we will embark on a key month of the campaign as we travel throughout California and attend 5 Districts prior to Thanksgiving. We look forward to visiting the Lions of California and gathering more support (and votes) onward to MD4 Convention in Sacramento!

PLEASE CONTINUE TO MAKE PLANS FOR MD4 CONVENTION IN SACRAMENTO! THE REGISTRATION FORM IS NOW AVAILABLE. WE WILL WORK WITH EVERY CLUB TO MAKE SURE YOUR TRANSPORTATION, LODGING, REGISTRATION AND DELEGATE CERTIFICATION IS IN ORDER.

Thank you ALL for your generosity and support!
