## KASES FOR KIDS

The Children in Foster Care have been removed from their homes due to a number of unfortunate reasons, completely out of their control, usually with no available family members to watch them. Some have lost parents due to health or accident, others may be taken due to child abuse or parents being arrested due to drug or other offences. These children have already experienced trauma in their lives that most children haven't and hopefully never will. Kases for Kids was started to give these children something besides a plastic garbage bag to carry their few possessions when they leave their homes and to provide backpacks with some school supplies so they are ready for school and a return to normalcy. Even though Foster Families receive some money from the County, it is minimal.

As Lions, we should help these children and with this small act of kindness we help restore dignity, establish self esteem and promote a positive attitude towards their future. restore dignity, establish self esteem and promote a positive attitude towards their future. To help, please consider a annual donation to this program. Checks should be made payable to District 4-C4 with "Kases for Kids" on the memo line and mailed to P.O. Box 5623, San Mateo, CA 94402.

Please let us know if you would like any additional information or would like one of us to visit your club. We can also arrange a pick-up of items if necessary.

Thank you in advance for your consideration,

*District 4-C4 Kases for Kids Committee*
