President's Message:

Lion President Don Fleming

After a very pleasant vacation it was back to work with the arrival of our Japanese exchange student. This is a Lions' project to host European or Japanese students in Northern or Southern California for a short period of time. It is a very fulfilling experience which goes on for two weeks. I would strongly recommend that you consider being a host family next year.

School is back in session so we are doing vision screening and visits to get glasses. I would encourage our members to trained and participate in the program. We can use the help because there is a lot of students to examined.

Remember that we have Pasta Bingo on September 7, 2018 and we need the participation of all our members to help set-up and take-down. Call your friends, neighbors and relatives to come and enjoy a delicious pasta dinner and bingo after the meal.

Meet your Fellow Lions!

Each month we will be featuring Daly City Host Lions club members in a column titled “Meet you Fellow Lions.” This month we are featuring **Lion Brian Dossey**

I grew up in Daly City, but have had the opportunity to live in some pretty nice places, such as; Hawaii; Guam; Breckenridge, CO; and currently San Francisco, CA with my wife Lisa.

Lisa is a dog training/walker/sitter in San Francisco and, I work for the Town of Colma as the City Manager.

I joined Lions just over a 3 years ago and its been a great experience so far; meeting my fellow Lions, working events, putting the newsletter together, and giving back to the community. I look forward to being a Lion for many years to come.

Where did you go to school (high school/college)? If college, what did you major in?

Westmoor H.S., College of San Mateo—A.A., CSU Chico—B.S. Community Recreation and Resort Management and St. Mary’s—MBA.

Favorite Movie—I like a lot of different movies, I can’t say I have a favorite, but I do enjoy watching the Marvel Comics Movies (Iron Man, Avengers, Captain America), Fast & Furious series, and the Jason Bourne movies.

What was the last movie you went to? Ant Man & the Wasp

Favorite Sound—Ocean waves when walking on the beach and the sound of the wind blowing through the trees when hiking.

Daly City Host Lions Recycling Opportunities

Don Riker Recycling Fund—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

Bread Tags for Wheelchairs— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

Cancelled Stamps for Easter Seals—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

Pull Tabs—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

Empty Ink Jet Cartridges—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

Vehicle Donations—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

Keys for Sight—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

September Laughs

How Many Children

Some newly married friends were visiting us when the topic of children came up. The bride said she wanted three children, while the young husband said two would be enough for him.

They discussed this discrepancy for a few minutes until the husband thought he'd put an end to things by saying boldly, "After our second child, I'll just have a vasectomy."

Without a moments hesitation, the bride retorted, "Well, I hope you'll love the third one as if it's your own."

Cutting Class

"Jill," a principal reprimanded the teenager he caught sneaking around in the hall, "do you mind telling me whose class you're cutting this time?"

"Like," the young teen replied, "uh, see, okay, like it's like, I really don't like, think like, that's really important, y'know, like because I'm, y'know, like I don't get anything out of it."

"It's Mrs. Dull's English class again, isn't it?" replied the principal smirking.

Memorial Service

A farmer named Muldoon lived alone in the Irish countryside except for a pet dog he had for many years.

When his dog sadly died, Muldoon went to the parish priest, saying: "Father Patrick, my dog is dead. Could you possibly say Mass for the poor creature?"

Father Patrick told the farmer: "No, we can't have services for an animal in church. But I'll tell you what, there's a new denomination down the road, and – no telling what they believe in – maybe they'll do something for your pet."

Muldoon said: "I'll go right now. By the way, do you think \$50,000 is enough of a donation for the service?"

"Oh, why didn't you tell me the dog was Catholic??"
