Dear District Governor:

Congratulations on achieving the Fast Start Cruising Speed Award. By achieving the Fast Start Cruising Speed Award your district posted two new clubs or positive membership on October 31, 2012. This is a significant accomplishment and you should be extremely proud of the outcome and your team's efforts.

As you know and are seeing in your district, identifying new service projects and starting new clubs, energizes the communities that are touched by Lions. Believing in a "World of Service" has resulted in fulfilling community needs through membership growth and new club formation.

By achieving the Fast Start Cruising Speed Award, you have used my winning formula: Dedication + Preparation + Teamwork = EXCELLENCE. Your leadership has guided the clubs in your district to employ a well thought out strategy and execute a formula for success. Keep up the good work. Once again congratulations on achieving the Fast Start Cruising Speed Award.

Sincerely yours,

Wayne A. Mobler
