DISTRICT GOVERNOR MESSAGE

**Lion Augusto "Jun"
Valera, Jr., MD**

Midyear Report

We concluded the second District Cabinet Meeting last November 14, 2021 in a new site location: the Tierra Linda

Middle School in San Carlos City with the assistance of PCL Pres. Venetia Young and San Carlos LC President Cori Carpenter. It was a very successful event! Thanks to the leadership of Region Chairs Paul Larson and Jenny Kwak-Weber as host co-chairs with the support of Zone Chairs Wayne Lee, Nick Marinaro, Connie Bridgewater and May Seto, with lions volunteers and the Millbrae Leos volunteers. Thanks to GAT Service Chair Jimmy Ness as DJ for the event. Thanks to Co-Executive Director Denise Kelly and Cabinet Secretary Ora Seyler for their guidance and to all volunteers. Thanks to all the Lions clubs that donated all the raffle prizes. Thanks to our District Governor Guest, DG Donna Prince and her Partner in Service Brad Prince of District 4-C5 for sharing their District's strategies in Club Service Reporting that made their District 100% in club service reporting, which ranked number one in MD4 in Club Service Reporting. Indeed, sharing of information and ideas among clubs and districts, especially success stories will benefit not only our clubs and

districts but also our communities. District Governor's and Immediate Past District Governor's Awards were presented.

Time flies. It is already December and we are almost half way through our Lionistic year. This is the time to review our district metrics in terms of membership growth, new club development, retention, service club reporting, LCIF donations, etc. Numbers do not lie. These metrics will help us to analyze where we are in relation to our district goals. This is the time to evaluate and adjust, if needed, our district goals and make or modify our strategies in order to accomplish our district goals. Our current district metrics as of December 6, 2022 is very assuring and promising that we will not only attain our district goals but surpass it in a record setting. Here are our district metrics: Our district total members on July 1, 2021 is 1536; our current members as of December 6, 2021 is 1775, a 239 net positive. We are now the second largest district in terms of membership in MD4 and the number one in membership growth not only in MD4 (California) but in Area 1 (USA) and Area 2 (Canada). We contributed 26% of membership growth of MD4 and 12% of CA 1 membership growth. We have the highest net increase/dropped ratio in MD4, meaning we have the highest in membership growth and lowest in drops. This also confirms that our recruitment and retention strategies are working. In new club development, we charted two specialty clubs with a total of 114 charter members. We also formed a club branch of SF Fil-Am LC with 12

club branch members who are healthcare professionals working at SF VA Medical Center. We have another new club in the process, pending completion of charter requirements. However, we have 18 Lions clubs with less than 20 members. For this, our Rebuilding Team will put into action our rebuilding strategy (Club Improvement/Excellence Program) as well as our Guiding Lions Program and Club Partnership/Mentoring Program.

On Club Service Reporting, our district is 59% on both Lions and Leos Club service reporting and 72% on Lions Clubs service reporting. We are ranked number 2 in MD4 and most improved in ranking. Thank you to our GAT Service Chairs Jimmy Ness and Rufo Macaraeg and also to Executive Director/District Administrator and Service Hotline Chair Lion Denise Kelly and Executive Director/Information Tech Chair Leo Lion August Valera and to all ZCs and RCs for their persistence and dedication.

On LCIF donation, our district so far donated \$16,559 which put our district in rank number 4 with other clubs in MD4. The following LCI Awards were presented during the Second Cabinet Meeting:

It looks like our district's plan and strategy will be continued and will be modified accordingly based on regular and periodic assess-

ment and evaluation. Our unique District GMA strategy will be shared to other districts since we have the metrics to back us up. Our GAT's strategy henceforth is emphasized on Rebuilding and Retention. Our district's Club Improvement/Excellence Program will not only assist clubs that have less than twenty members but also assist clubs that want to maximize their club's potential regardless of the number of members in their club. We will offer assistance based on the unique needs of each club by providing Guiding Lion, Sister Club/Partnership/Mentoring with other Clubs, deployment of associate members or provide any district resources available. We will continue our Retention Program by providing service activities so that lions will be involved/engaged in service activities such as our partnership with the SF-Marin Food Bank Hunger Project Activities as well as encouraging multi-club joint venture projects like the GIHW activities, health fairs, medical missions, etc. We will expand the District Marketing/Service Project Short Film Video Contest on five focus area open to Leos and Lions Club similar to LCI Kindness Matters Service Award.

We will continue to engage our Leos/Leo-Lions and young lions to assume leadership positions in our district and support their initiatives such as the District Leo Leadership Symposium. We will encourage their active participation for the forthcoming US/Canada

Leo Leadership Forum in Visalia, CA on July 27-31, 2022. We will continue our excellent District Leadership Development Program with various district leadership training. Our district will continue to invest in our leadership development by subsidizing at least seven lions to attend the Regional Lions Leadership Institute. We will continue our Club Service Reporting Strategy, the WWW123 Project until we attain 100% club service reporting. We will continue to support

LCIF with the goal that all our lions clubs will be donating to LCIF making our district 100 % LCIF donor. We will encourage more clubs to join the 100/100 elite LCIF clubs.

We will welcome 2022 with great hope and optimism because we are LIONS TEAM FAMILY.

We are Loving Individuals Offering Needed Services.

We believe in "Together, Everyone Achieves More"

Our district "Foster A More Involved Lion in You!"

Seasons' Greetings, fellow Lions of District 4-C4.

'Tis the season for giving! Thank you to all who donated to LCI or Clubs on this year's Giving Tuesday. As we continue to adapt to the changing times of COVID, I am gratified to see so many Club's adapting and finding new ways to support our communities. The holiday season can be very tough for some folks so please be on the lookout for anyone who might need a helping hand or kind word. An individual kindness goes just as far to someone alone or struggling without family or connections. A toy or food donation is a great way help.

The Leo, Leo-Lion, Young Lion Task Force Committee has been meeting regularly and are making progress with developing action steps to promote, prepare and encourage Leos, Leo-Lions, and young Lions to take on leadership positions. This includes partnering with District Leo board on their symposium. More details to follow.

Thanks to all that support our annual warm coats and socks event at our second cabinet meeting. Your donations will help support our Veterans who are struggling. Lions Veterans Charities participated in a very successful Bikes 4 Vets giveaway on November 20th. Thanks to our partners; SF SOMA Rotary, SF Veterans, & SF Unified Lions. We provided over 60 bikes, bags, locks, and helmets this year. The hope is that Clubs and individual Lions can become more involved with the Sponsor a Bike program and other endeavors. To that end LVC will be hosting Club Presidents and representatives at an Open House January 10 at the Burlingame Lions Hall to share about the exiting changes and events on the horizon.

Opportunities continue to be available for community service through individual undertakings and joint projects. Whether joining monthly service project at SF Food Bank, or lending a hand to someone in need, getting involved can benefit your Clubs and our communities. Remember to be safe as we serve. I am committed serve you so please don't hesitate to contact me for support.

Leadership through service continues to promote goodwill and meet the needs of our communities, as well as retain and increase our membership.

May the holiday season bring you and your families peace and joy!

LCIF Update

Happy Holidays 4-C4 Lions!

I am pleased to say 31 clubs (SO FAR) have donated to LCIF during this Lions year. This is good but I know we can do better than that. LCIF should be a budget line item every year!

December is the best time to think about making a donation. Your year end tax deductible donation will go to help so many, especially at this time. The tornados in the south are enough to encourage me and my club. What about you and yours?

On December 12, the LCIF Chairman Dr. Choi sent us the following:

Fellow Lion,

On Friday, December 10, a rare, late-season series of tornadoes battered portions of the Southern and Midwestern United States, leaving dozens dead, many others injured, and major devastation in countless communities.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. LCIF quickly responded and awarded Emergency grant funding to allow Lions in the affected communities to respond to urgent needs of the victims.

You can help. Your generous donation to LCIF's disaster relief fund will help deliver further funds to families impacted by the devastation.

Lions of 4-C4, please join me in sending a check made out to LCIF. You can also visit the web site.

www.lcif.org/donate

We all can't be there in person to assist but we can empower the Southern Lions by making a donation. Any donation.

Thank you to the many 4-C4 Lions that have already made a donation.

BEST WISHES FOR A HAPPY AND HEALTHY HOLIDAY SEASON AND NEW YEAR!

Please donate today. www.lionsclubs.org/donate

A Night of Korean Culture with SF Korean American Lions Club Holiday Party By: Lion John Gill

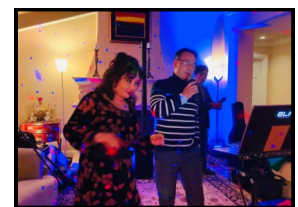

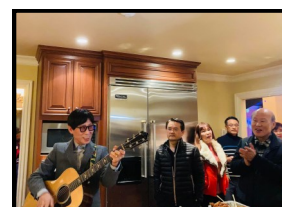

One of the purposes of Lions Clubs International is "To Create and foster a spirit of understanding among the peoples of the world."

Having recently watched a variety of Korean dramas on Netflix and presented a speech about the culture featured in Korean dramas

at my Toastmasters club, I visited the SF Korean American Lions Club holiday party for a night of Korean culture. I had visited the club about 6-8 years ago on the Long Tail Ambassador Contest in our District. I recall back then, they told me that the first 15 minutes would be in English and the remainder in Korean. I stayed and listened to the language. I studied International Relations in college and I love how in the two organizations I most active in today, Toastmasters and Lions, I can meet people who come from the countries I studied about in school.

I knew of a few members from district committees and leadership but no one on a personal level. Since the party was listed on the District Thread, I figured maybe some Lions I do know would attend, too. I didn't know I was attending a District Governor Visitation. It was fun to have the DG, Zone Chair May Seto, and Yvonne & PCC Emil Kantola attending, too. The club had a brief meeting to welcome DG Dr. Jun and his visiting Cabinet leaders, who each gave talks to the club. Region Chair Lion Jeny Kwak Weber was a gracious host and cooked many of the entrees that were featured on the buffet. I enjoyed the opportunity to sample Korean cuisine and found it delicious. The party featured a small group of live singers and musicians, and also had Karaoke for guests to participate. It felt like a scene out of my K Dramas I'd been watching. I sincerely appreciate their club president, Lion James Kim, who helped me with putting my shoes back on and with navigating the stairs to enter the home. It was a fun visit. The club gave me a Korean towel with their name and club president name in Korean. Thank You SF Korean American Lions Club for welcoming me to a night of Korean culture. Here below are a few photos of the evening.

Happenings around the District... By: Lion John Gill

Toy drives, installations, crab feeds, football celebrations, farmer markets, cabinet meetings, holiday celebrations, club anniversaries, service projects... our District has been busy in the second quarter.

Big Game Luncheon—Burlingame Lions Club hosted traditional joint meeting between Berkeley Lions Club and Stanford Lions in our District to celebrate Big Game Rivalry between Stanford and Cal. Cal Berkeley Band visited and played a few songs. Berkeley Lions members lead chairs and shared rivalry stories. Burlingame Lions hosted a luncheon for both clubs and visiting Lions in our district.

SF Unified Lions Club Farmers Market & Toy Drive - SF Unified Lions Club has been doing a monthly farmers market and in December had a toy drive.

SF Fil Am Lions Club 50th Anniversary—the home club of the District Governor celebrated their 50th Anniversary.

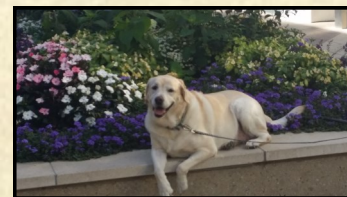

Editor's Minutes..

Thank You for all our contributors this issue. I hope You had a fun and happy holiday season and wish you a Happy New Year!

Shortly before Thanksgiving, I had to put down my 15 year old Labrador, Pearl, due to an unexpected illness. She was like a service dog to me and my family. She'll be missed. I am expecting to pickup a new Labrador puppy later in January. I am looking forward to the new family member.

I was hopeful to get this newsletter out before I had out of state family visiting for the holidays, but unfortunately, I received requisite articles too late to finish it before the holidays. I left the holiday wishes in the articles because we're covering what's happening in the 2nd Quarter and it makes sense that the writers would wish everyone a Happy Holiday season.

The content deadline is posted in the weekly District Thread, If you submit content later than the deadline, it may still be included in the upcoming issue but only if space and time to input the article is available. Please submit any desired content to Lion John at lionjohngill@gmail.com. Suggestions and feedback for content are welcome.

Lions Code of Ethics & Objectives

Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customer and true to myself.

WHENEVER a doubt arises as to the right or ethics of my positions or actions towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not as a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not to destroy.

Objectives

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the choice in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial rewards, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
